

## Chorister Profile – Ivor Daniel Davies

Ivor Daniel Davies was born on 17<sup>th</sup> April 1932, in Pentre. As a boy he attended Pentre Primary School and then Bronllwyn Secondary Modern School. After leaving school he gained an apprenticeship in carpentry and joinery. He is currently retired. Ivor is married to Margaret and between them have three sons and seven grandchildren. With

carpentry in his blood he lists his hobbies as D.I.Y. and dancing.

Ivor joined the choir in 1991, for the simple reason he likes singing. His two favourite choir songs are Gwahoddiad and Unchained Melody, songs which constantly feature in our repertoire. His life within the choir holds many memories but inevitably the most memorable ones come from winning competitions. Having toured on many occasions with the choir, his favourite venues, where he has sung, is in Canada and Germany.

When asked to sum up what being a member of Cambrian Male Voice Choir means to him, Ivor quite definitely states "good friends". The opportunity of being a member of the choir has given Ivor the opportunity to fulfil one of his great pleasures and that is enjoyment in singing.

Our thanks to Ivor for providing the above information and allowing us to use it on this website.
